

Hello all, The staff and I would like to say that we miss the in-person interaction that we are all lacking. We are enjoying getting books, movies and other services into the hands of our patrons. While the library will still be closed to the public, we are excited to offer extended hours to enable you to get your books during these trying times. We also have the ability to request books from other libraries, so if we don't have the title you are looking for we can try to get it from another library.

If you want to browse our online catalog, let us know and we will get you your login information to please a hold on a title.. <https://lincolnpubliibrary.goalexandria.com/browse>

Beginning December 1, 2020, we will be available for curbside service M-F from 10-8. We hope that this will allow more opportunities for you to be able to get your reading materials. We still are able to offer printing, faxing and copying through our wireless printer. You are able to print directly from your device with our WIFI password that is posted on the front door.

Please visit our website at www.lincoln.lib.nh.us and see what else we have to offer you! We are here for you!

Have a Happy Thanksgiving and stay safe and healthy
Carol Riley, Teasha Camargo, Sam Smith and Janet Peltier
